is the 8th book in the  
Immortal Guardians  
series, and though it  
was a nice read it  
didn't really move  
along the series plot. It  
was mainly just about  
Stanislav being found  
alive and him and  
Susan (the gifted one  
that found him} falling  
in love. The others  
don't join in until the  
end for the sweet

" Awaken the Darkness is the latest installment in the Immortal Guardians series. And just like all of the other ones that I have read, I loved it . . . I loved Susan and Stan together. I can't wait to see more of them in the next book. It can't come fast enough. "
