IIBF

The examination of a debtor isn't a way to enforce the debt but rather, obtain more information about their assets, liabilities, income and expenditure. This can help you determine what recovery options are available or even if the debtor is worth pursuing.

How Can the Examination of a Debtor Help Me Recover a Debt?

Debt recovery is when a loan—such as a credit card balance—continues to go unpaid, and a creditor hires a third party, known as a collection service, to focus on collecting the money. Debt recovery is important because it is directly correlated to your credit score. If you are being contacted by a debt recovery service, it means there is a ...
