Chapter 1: Introduction • New data on the global demographic divide, including Nancy Hartshorne, Delta College. H. Russell Searight, Lake Superior State University. Minnesota.

(PDF) Human Development: A Cultural Approach, 3rd Edition

The object of attitudes valorized in the major religious traditions is typically regarded as maximally great. Conceptions of maximal greatness differ but theists believe that a maximally great reality must be a maximally great person or God. Theists largely agree that a maximally great person would be omnipresent, omnipotent, omniscient, and all good.
