Kind Ella and the Charming Duke was such a great book. I enjoyed it from page one right up to the very end. Ella Winfield's father has died and her mother is going to marry the Earl of Dandridge. He has a reputation of being a terrible man and Ella and her mother soon learn that is exactly what he is.

This book shows that kindness can go a long way, but so can cruelty. Part of what makes the Duke realize there is something about Ella is that she is so excluded from family life. In the end it is both Ella's meek nature, but also her intelligence and curiosity that draw the Duke in. I found the
