William Blake (26 November 1757 – 12 August 1827) was an English poet, painter, and printmaker. Largely unrecognised during his life, Blake is now considered a seminal figure in the history of the poetry and visual art of the Romantic Age.What he called his prophetic works were said by 20th-century critic Northrop Frye to form “what is in proportion to its merits the least read body of ...

William Blake - Wikipedia

Poet, painter, engraver, and visionary William Blake worked to bring about a change both in the social order and in the minds of men. Though in his lifetime his work was largely neglected or dismissed, he is now considered one of the leading lights of English poetry, and his work has only grown in popularity. In his Life of William Blake (1863) Alexander Gilchrist warned his readers that Blake ...
