Instructions for A-Series D Digital Game Cameras

This is why the Delta was released with no owner's manual (in the box or online) and no known/tested compatible SD cards other than Moultrie's own branded SD cards. The Moultrie Delta release feels reminiscent of Windows Vista (with no service packs). A product with potential that was rushed to the market prematurely and has major problems.

Amazon.com: Moultrie Mobile Delta Cellular Camera - AT&T ...

Not my favorite Moultrie camera. No display screen. Cant rename the camera when your operating over 10 cams. It will just say "Cam 1" Menu functions are not very user friendly and need manual to understand all the abbreviations. Good pics and battery life seem good. If you looking for a real basic camera this is it. Works with Moultrie modems.

Manual Mode. Make sure the camera you pick nicely works in manual mode. Yes, clicking the image with manual mode is a little tough for beginners. But this mode gives a better image than the auto mode. In manual mode, you will have full control over the exposure, light, etc. So that image will be the way wanted it to be. Housing
