Today, there is a wide variety of institutions and practices of complementary currencies in Europe. The global economic crisis (2008) and the Eurozone crisis have given a strong impetus to the emergence, dissemination and institutionalization (first in France in 2014) of solidarity finance in Western Europe. The paper aims at revealing the development of complementary currencies in a ...

An important reason is the integrity of the archive and the RePEc services (NEP, CitEc). If a paper is taken from the archive, all links and references will become dead. This means that citations cease to be reliable. Another reason is related to documentation of priority of results. A crazy case would be that a paper is plagiarized and then ...
