Smith: This is a difficult question even for a Native American. There are so many different nations/tribes, and every individual person in each of these nations/tribes would probably answer this question differently. To me, Native American refers to Indigenous people in North and South America, particularly North America.

Question: "What are the religious / spiritual beliefs of Native Americans?" Answer: Native Americans is a generic reference to people groups who lived in North and South America prior to the arrival of European explorers. Given the size of those two continents and their diverse landscapes, it is no surprise that Native American cultures varied drastically from group to group and from tribe to tribe.

As one of the few Native American people in the entertainment industry, I'm used to being asked bizarre questions about my culture. Many people seem to think that all Natives live in teepees and look like caricatures from the 1700s. Here are some of the weirdest and wildest misconceptions people have about being Native American today.
