•Quick start guide •Safety Brochure Installing the receiver •When installing this unit, make sure to put it on a level and stable surface. Don't install it on the following places: - on a color TV (the screen may distort) - near a cassette deck (or close to a device that gives off a magnetic field). This may interfere with the sound.

### Operating Instructions - Onkyo

Fortunately you can hook up a second sub so I added a low priced Polk PSW10 which fixed that issue. A few nice features are CEC control, ARC, Airplay and the ability to control the receiver with the Onkyo Control app from my iPhone, though the app is a bit clunky. Overall the Onkyo HT-S7800 ins't bad for an "entry level" home theater system.
